## *From the President's Desk*

My Dear Fellow Workers in the Lord's Vineyard,

Shalom!

Grace and peace be unto you from the Lord God, Jesus Christ, and the Holy Spirit.

It is with immense joy that I learn of your enthusiasm and zeal to come to Asia Evangelical College & Seminary to study the Word of God and equip yourself to be more effective in your stewardship and servanthood to the Servant Lord, Our Master Jesus Christ. I have been seeking prayerfully that all of you who come to Asia Evangelical College & Seminary, founded as a disciple making disciple institution, will find yourselves blessed in being enabled to find new acts of obedience to His Great Commission (Matt. 28:19-20). What Asia, and India in particular, plunged towards spiritual emptiness and moral degradation, needs to know is the redeeming grace and saving love of Jesus Christ.

In obedience to the evangelistic mandate of our Lord, Asia Evangelical College & Seminary, as our Statement of Faith unequivocally declares, is Bible-based and Christ centered, and seeks to achieve the dual goal of excellence in academic pursuit, and nurture and nourishing in spiritual growth. This is because for the fulfilling of this command, we need dedicated children of God who have a burning passion for lost souls and, in constantly changing times, proclaim the unchanging principles of the Gospel (Rom. 15:13-15).

As the world knows, Christians in Asia, especially in India, must stand up in terms of "Train Asian in Asia" and what is desperately needed today are reliable men and women who will venture forth courageously – who can be entrusted with the blessed and joyful task of preaching the Good News of Jesus and proclaim the truth to win Asia for Jesus Christ.

If you are convinced and feel led by the Spirit, in the knowledge that you are called, chosen and set apart for the Lord's ministry, come to Asia Evangelical College & Seminary all here will do his/her best to make you to be an effective, efficient, reliable, obedient, useable, and useful servant to the Lord, Jesus Christ.

Looking forward to welcoming you to the Asia Evangelical College & Seminary fellowship.

May the Lord guide you very richly always for your preparations and practices in His Ministry.

**Dr. Y. John Chung**

## Statements of Faith

**We believe** that the Bible is the only inspired, infallible and inerrant, authoritative Word of God. It is the only true standard for the believer's life and practice. The Bible contains all things necessary for the salvation of all peoples of the world.

**We believe** that there is one God, eternally existent in the three Persons; Father, Son and Holy Spirit.

**We believe** in the deity of our Lord Jesus Christ; His virgin birth, His sinless life, His miracles, His vicarious and atoning death, His bodily resurrection, His ascension to the right hand of the Father and His personal return in power and glory.

**We believe** that man was created in the image of God, that he was tempted by Satan and fell, and that the Bible clearly states that all following Adam have sinned and become sinful. Repentance toward God, faith in Jesus Christ, and regeneration by the Holy Spirit are absolutely necessary for salvation.

**We believe** that every believer is called to sanctification through identification with Jesus Christ in his death and resurrection. Through the indwelling of the Holy Spirit every believer is illumined, enlightened and enlivened and through His guidance and strengthening he/she is fully consecrated to the will of God and receives power for holy living and effective service.

**We believe** in the present ministry of the Holy Spirit by whose indwelling empowering and gifting the Christian is enabled to live a life of godliness, a life of pure, noble and lofty ethical values and moral standards, a life of effective service.

**We believe** in the resurrection of the saved and the lost, those who are saved unto the resurrection of life and those who are lost unto the resurrection of damnation.

**We believe** that all believers should live lives of faith of whole hearted consecration to Christ, and continual prayer and consecration for the fulfilling of the Great Commission to go into the world to make disciples of all nations.

## General Information

In response to a vision given by God in 1970s to two missionaries, Rev. Dr. Y. John Chung and Mrs. Gloria Chung who had been in various cities in India for a number of years (in 1984 Bombay, and later in Madras, Salem, Cochin, Calcutta and other places), they were led to found and register the India Evangelical Church Trust in Bangalore in 1990. In the year 1989, they had also established the IEBC College. Before this, they started MTC in Bombay in 1984, and a Christian School in Salem in 1983. Later on convinced that they were called not only to minister to the people of India, though that was primary and in particular, they realized that the College should be a living instrument for preparing committed and dedicated young men and women from neighboring countries also, to be pastors, evangelists and church planters, and leaders in Christian institutions for the task of evangelization of the whole of Asia. As such, the IEBC College was renamed ASIA EVANGELICAL COLLEGE & SEMINARY. The primary aim and goal of establishing the ASIA EVANGELICAL COLLEGE & SEMINARY was and continues to be that along with the pursuit of academic excellence in theological disciplines the equipping and training of the students for the ministry called for spiritual nurture and growth towards Christ likeness.

*Morning Devotions & Worship Services are daily offered-up*

*AECS is a wonderful place to build friendship in Christ*

## Aims and Objectives

ASIA EVANGELICAL COLLEGE & SEMINARY has taken to heart the need for training and equipping Asians in Asia. Our students come not only from all around India, but also from neighboring countries such as Nepal, Myanmar, and even as far as from Korea. Our Statements of Faith and the Five Spirits underline our approach to theological education. There is a dearth of committed, reliable pastors and Christian leaders, who can take responsible positions in Church and Society. It is also true that theological education (evangelical) in this country is suffering due to the lack of well qualified Christian personnel.

Under the authority of the Scripture, ASIA EVANGELICAL COLLEGE & SEMINARY endeavors to fulfill its commitment to the ministry through graduate education, professional development and spiritual formation. The Degree courses offered by our institution seek to promote sound theological training and the formation equipment of pastors, evangelists, church planters, and leadership personnel for the varied ministry of the church planters, and for the theological education in India and the whole of Asia.

From its local setting here in Bangalore, ASIA EVANGELICAL COLLEGE & SEMINARY looks out to the whole of India and Asia and even beyond - to the whole world. This local, Asian and International perspective reinforces the concern not only for evangelism but to install and implant a missionary vision within the life of everyone who comes to our institution for theological training.

ASIA EVANGELICAL COLLEGE & SEMINARY's educational responsibility is clearly seen in the obligation to carry out the teaching task embraced by the Great Commission (Matt. 28:18-20), and our Lord's commissioning every disciple of His with these words: "As the Father has sent me, I am sending you" (Jn.20:21).

**This is reflected in the macro curriculum in the offering of the following subjects:**

1. Bible Study (Old Testament & New Testament)
2. Christian Doctrine (Biblical & Systematic Theology)
3. Christian Ethics (Biblical dealing with life issues)
4. Church History (Organization, polity)
5. Missions
6. Techniques of Evangelism
7. Pastoralia and Pastoral Counseling
8. Preaching Practicum & Homiletics
9. Communication
10. Leadership & Stewardship (Education & Development)
11. Prayer & Worship
12. Christianity & Culture

We have various Departments, such as Department of Old Testament, Department of New Testament Studies, Department of Theology, Department of Ethics, Department of Missions, Department of Church History, Department of Preaching Practicum, Department of Communications, and so forth, headed by evangelical Christianity's finest Professors with many years of wide experiences.

In brief, ASIA EVANGELICAL COLLEGE & SEMINARY is Bible-centered, Evangelical and Interdenominational and is devoted entirely and wholly to the pursuit of excellence in both academic and practical preparation for the Christian ministry, in the Church and related organizations and in theological education.

## History

More than two decades ago, as early as 1977, the Lord gave to two dedicated servants of God in Seoul, Korea, the vision of adopting India as their mother country and to found such Christian institutions as were deemed necessary for equipping and training young men and women for the propagation of the Gospel message. In very truth it could be claimed that the founding of these institutions were made plausible by the experience gained during the five years in North Africa and later starting the M.T.C (Missionary Training Centre) in Bombay in 1984 for church leadership and equipping reliable, dedicated Christians for evangelism and church planting. As such establishing the Asia Evangelical College & Seminary, St. Paul School, and the School of Mission and Evangelism since March 1988 in Bangalore was the result of all previous experiences.

That the founding of ASIA EVANGELICAL COLLEGE & SEMINARY was in the fulfillment of the purposes of our Lord God and Jesus Christ by the leading of the Holy Spirit is validated by the fact that such an institution is needed not only for providing training from a biblical perspective, but in these times of persecution and hostilities, to promote the kingdom of God, and to prepare ministers and evangelists who will proclaim the Gospel of Christ without fear or lethargy. ASIA EVANGELICAL COLLEGE & SEMINARY marks the realization of the vision of the founders.

From the very beginning, the aim of ASIA EVANGELICAL COLLEGE & SEMINARY was to establish a complete College and Seminary curriculum and campus, with full time scholarly Faculty from the Evangelical background and an adequate Library. The institution has received answers to its prayer and his cherished longing of having its own buildings materialized in no time. The institution has had the good fortune of moving out of rented premises, where the classes were held for the first two batches of students to the present site, with spacious buildings for administration, classes, library, dining hall, dormitories for men and women and chapel for worship services, and conducive study atmosphere and to foster fellowship and mutual encouragement. Being a co educational residential institution, the highest standards of Christian moral character is expected from everyone associated with ASIA EVANGELICAL COLLEGE & SEMINARY community. The Five Spirits make clear the aims and objectives of founding the ASIA EVANGELICAL COLLEGE & SEMINARY. In keeping with the Five Spirits all members of the ASIA EVANGELICAL COLLEGE & SEMINARY community faculty, students, administrators and staff share in the responsibility of protecting and promoting the Christian faith. The Five Spirits are in very truth the light for the whole community which dispels the darkness of ungodliness and ignorance and enables all to walk in the Christian path of peace and love.

ASIA EVANGELICAL COLLEGE & SEMINARY is justifiably proud and thankful to the Lord, that during its short span of existence, it has been immensely blessed by God to

train and equip nearly 1200 students from all over India and neighbouring countries, such as Nepal, Myanmar and other places.

It is our never ceasing endeavour to make ASIA EVANGELICAL COLLEGE & SEMINARY the best evangelical theological College and Seminary in the whole of Asia.
